DETAILED ACTION

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claim Rejections - 35 USC § 102

Claims 1-6 stand rejected under 35 U.S.C. 102(b) as being anticipated by Ford of record for reasons of record.

Claims 1-6 remain rejected under 35 U.S.C. 102(e) as being anticipated by Sugano of record for reasons of record.

Claims 1-5 stand rejected under 35 U.S.C. 102(e) as being anticipated by Strasser of record for reasons of record.

Response to Arguments

Applicant's arguments filed 9/22/06 have been fully considered but they are not persuasive.

The claims are apparatus claims and contain no structural limitations to the means used to separate the water from the liquid fuel. Further it appears that the water formed would inherently separate from the liquid fuel and would therefore meet the structures of the prior art above.

Accordingly, claims 1-6 stand rejected.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
